

West Bengal has identified various products under One District One Product (ODOP) initiatives. Historically each district of the State has its unique feature regarding Agricultural, Handicraft and MSME Product. On the basis of that, ODOP products are broadly classified as Agri Product, Handicrafts Products and MSME Products. Considering the nature of business Approvals / Licenses / NoCs are different from one product to another. Product and sector specific detail lists of Approvals / Licenses / NoCs are annexed.
